grand preparations for their big annual minstrel show to be given at the Hawaiian Opera House on the nights of February 4th and 6th. The Honolulu public always look forward to the shows given by the Elks, as they have the reputation of putting on the best up-to-date amateur shows,

in securing forty of the best voices from the Kamehameha Schools for their chorus, and judging from the rehearsals which have been going on for the past six weeks, it is safe to say thta the chorus work will eclipse anything ever heard in Honolulu. No expense will be spared to stage the performance in up-to-date style, and the scenic artists are already at 1,684.72 work painting special local scenery 2.166.37 for the big first part.
